JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

THE MACMILLAN COMPANY'S NEW BOOKS.

A VERY TIMELY REFERENCE TO THE ARMENIAN QUESTION.

TRANSCAUCASIA AND ARARAT.

Notes of a Tour made by JAMES BRYCE, *Author of the "American Commonwealth," etc.*
With a Supplementary Chapter on the recent history of the Armenian Question.
Cloth, 12mo. Uniform with "The American Commonwealth." Price, \$3.00 net.

A ONE-VOLUME EDITION OF MR. BRYCE'S GREAT WORK.

THE AMERICAN COMMONWEALTH

For Colleges and High Schools.

A new edition in one volume, revised and abridged from the larger work, in two volumes, by JAMES BRYCE, M.P. for Aberdeen, with the assistance of JESSE MACY, Professor of Political Science, Iowa College.

The work in this form is specially adapted to use as a text-book in schools and colleges. 12mo, cloth, \$1.75 net.

CHRISTIANITY AND IDEALISM.

The Christian Ideal of Life in its Relations to the Greek and Jewish Ideals and to Modern Philosophy. By JOHN WATSON, LL.D., Professor of Moral Philosophy in Queen's University, Kingston, Canada. 12mo, cloth, \$1.25 net.

Publications of the Philosophical Union of the University of California. Edited by G. H. HOWISON, LL.D., Mills Professor of Intellectual and Moral Philosophy and Civil Polity. Volume II.

"This book is a worthy sequel to the distinguished author's 'Comte, Mill, and Spencer.' It may be described as a supplement to that work in an exceedingly important and interesting particular. The bearing of the Idealistic Philosophy on Religion, which was not dealt with there, is here presented in a very lucid and convincing light.

"The ordinary reader, however, will feel that the best justification of the point of view defended in the more technically philosophical second part of this little volume is that it forms the reasoned basis for the treatment contained in the first part of the Greek, Jewish, and Christian Ideals,—a treatment, for a philosopher by profession, unusually sympathetic and concrete."—*From the Queen's Quarterly.*

THE LAW OF CIVILIZATION AND DECAY.

An Essay in History.

By BROOKS ADAMS. Cloth, 12mo, \$2.00.

Hon. Theodore Roosevelt writes in the *Forum*, January, 1897:—

"It is a marvel of compressed statement. In a volume of less than four hundred pages he singles out some of the vital factors in the growth and evolution of civilized life during the last two thousand years; and so brilliant is his discussion of these factors as to give, though but a glimpse, yet the most vivid glimpse ever given, of some of the most important features in the world-life of Christendom. . . .

"The book is replete with vivid writing, and with sentences and paragraphs which stand out in the memory as marvels in the art of presenting the vital features of a subject with a few master strokes. The story of the crusades, the outline of the English conquests of India, and the short tale of the rise of the house of Rothschild are masterpieces. . . .

"Mr. Adams's book, however, is far more than a mere succession of brilliant episodes. He fully sees that the value of facts lies in their relation to one another."

A NEW VOLUME BY GOLDWIN SMITH, D.C.L.

GUESSES AT THE RIDDLE OF EXISTENCE

And Other Essays on Kindred Subjects.

By GOLDWIN SMITH, D.C.L., author of "Canada and the Canadian Question," "The United States," "Essays on Questions of the Day," etc., etc.

The "Other Essays" are as follows:—

"The Church and the Old Testament."

"Is there Another Life?"

"The Miraculous Element in Christianity."

"Morality and Theism."
